

# YOU'RE INVITED

---

To a public information 'drop in' to learn about the proposal to establish a wind farm on the northern reaches of the Kaimai Ranges behind Tirohia.

Come along to meet the team and learn what this exciting proposal means for the Paeroa community.

Ventus Energy is about to complete investigations and submit a resource consent application to construct a 100mw wind farm on the northern reaches of the Kaimai Ranges.

Wind energy is clean and abundant in New Zealand and features strongly in the country's energy strategy.
